Dear Mr. Speaker:

The transaction contained in the attached certification involves the export of technical data and assistance to support the cooperative development by Japan and the United States of the Standard Missile - (SM-3) Block II missile for the AEGIS ballistic missile defense system.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script, reading "Matthew A. Reynolds".
